

# MENDELEY INSTITUTIONAL EDITION POWERED BY SWETS

Philippe Glätzle

11 Juin 2012

# Mendeley Institutional Edition

---

## Agenda

- Mendeley?
- Mendeley pour les utilisateurs
- Mendeley Institutional Edition (MIE)
  - La raison de notre partenariat avec Mendeley
  - Fonctionnement de Mendeley Institutional Edition (MIE)
- Récapitulatif des fonctionnalités de MIE
- Bénéfices de l'utilisation de MIE

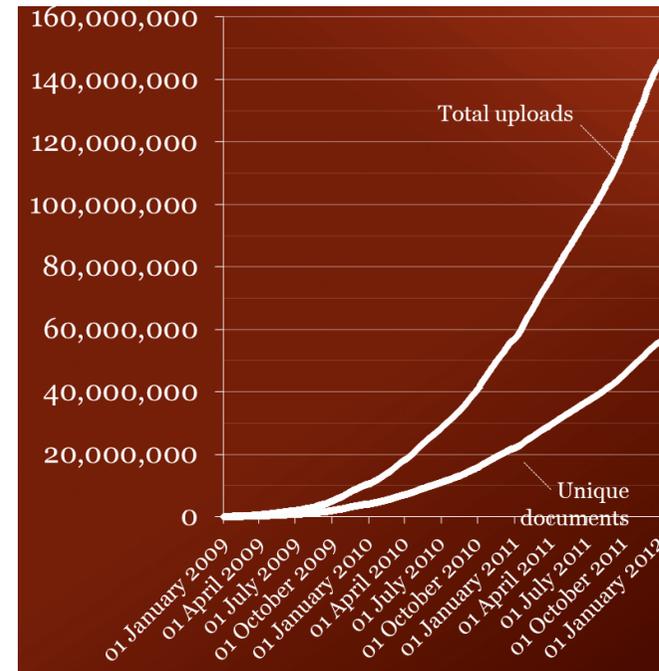

# Mendeley?

Mendeley a été créé il y a 4 ans par 3 doctorants .  
Actuellement , 35 développeurs et chercheurs travaillent  
À son développement à Londres et New York.  
Plus d'1,8 million d'utilisateurs dans le monde  
venant de 6.500 institutions

**Ces chiffres continuent  
de croître de façon exponentielle  
chaque jour!!!!**

Mendeley a reçu entre autre le prix  
"Best Social Innovation Which Benefits  
Society" - TechCrunch Europe 2009

la plus large base de données de recherche  
avec 145 millions de documents téléchargés  
par ses utilisateurs

# Mendeley pour les utilisateurs

The screenshot shows the Mendeley website interface. At the top left is the Mendeley logo (three red circles) and the word "MENDELEY" in red. To the right are buttons for "Sign up & Download" and "Sign in". Below the logo is a navigation bar with tabs for "Get Mendeley", "What is Mendeley?", "Papers", and "Groups". A search bar contains "Papers" and "Search...". The main content area features the headline "It's time to change the way we do research." followed by a description: "Mendeley is a free **reference manager** and **academic social network** that can help you organize your research, collaborate with others online, and discover the latest research." A list of features includes: "Automatically **generate bibliographies**", "Collaborate **easily** with other researchers online", "Easily **import papers** from other research software", "Find **relevant papers** based on what you're reading", "Access your papers from **anywhere online**", "Read papers on the go, with our new **iPhone app**", and "View **more features...**". Below the list is a sign-up form with fields for "First name", "Last name", and "E-mail address", a "Sign up & Download" button, and a "Facebook" sign-in option. To the right of the form is a video player on a laptop screen with a play button and the text "WATCH THE VIDEO", next to a stack of papers and a smartphone displaying the Mendeley app.

# Mendeley pour les utilisateurs

---

- Un outil de référence
  - Génère des citations et des notices bibliographiques en Microsoft Word, OpenOffice, et LaTeX.
- Un outil de découverte
  - Trouve des documents, des personnes, des groupes et indique les tendances dans votre discipline de recherche.
- Un outil de lecture et d'annotations
  - Ouvre les PDF, permet de capturer vos pensées et de mettre en surbrillance des passages.
- Un outil d'organisation
  - Importe et organise les PDFs de votre ordinateur, EndNote™, Papers ou Zotero.
- Un outil de collaboration
  - Permet de se connecter avec des collègues, de partager en sécurité vos documents, notes et annotations et de se joindre aux conversations de groupes sur des sujets spécifiques.
- Un outil de mobilité
  - Accède à votre environnement de travail (Backup, Sync et Mobile) sur votre iPhone ou iPad.

# Mendeley pour les utilisateurs

Vous verrez d'abord les nouvelles et le chatter

The screenshot displays the Mendeley web interface. At the top left is the Mendeley logo. The top right shows a welcome message for 'Marianne Oosterop' with a 'My Account' dropdown and an 'Upgrade' button. Below this are links for 'Invite colleagues' and 'Support'. A navigation bar contains tabs for 'Dashboard', 'My Library', 'Papers', 'Groups', and 'People'. A search bar is located to the right of these tabs. The main content area is titled 'Newsfeed' and includes a text input field for posting updates. The newsfeed itself shows several entries, including a user connection and group membership updates. On the right side, there are two sidebars: one for 'Install the Web Importer' and another for 'Edit My Profile' which shows a 'Your profile completeness: 75%' progress bar. A vertical 'feedback' button is visible on the left edge of the interface.

# Mendeley pour les utilisateurs

Pour créer un groupe, vous aurez besoin d'inviter des collègues

The screenshot displays the Mendeley user interface. At the top, the Mendeley logo and name are on the left, and a user greeting 'Welcome back Marianne Oosterop' with a 'My Account' dropdown and an 'Upgrade' button are on the right. Below the header, there are navigation tabs for 'Dashboard', 'My Library', 'Papers', 'Groups', and 'People'. A search bar is located in the 'People' tab, with a dropdown menu set to 'People' and a search icon. A red box highlights the search bar with the text: 'You can search other Mendeley users by name, research interest, location or keyword'. Below the search bar, there are three buttons: 'My contacts', 'Find contacts', and 'Invite contacts'. A red box highlights the 'Invite contacts' button with the text: '...and invite them to your group.'. Below these buttons, three user profiles are listed:

- Marieke Heins**  
Discipline: Business Administration  
12 contacts  
 Send message
- Nuria Sauri**  
Electronic Products Manager, Southern Europe, Swets  
Barcelona, Spain  
Discipline: Computer and Information Science  
Interests: libraries, social media, web 2.0, virtual libraries, data mining, electronic publishing, e-books, knowledge management  
10 contacts  
 Send message
- Sebastian Arcq**  
Business Development Manager, Mendeley Limited  
London, United Kingdom  
Discipline: Marketing, Business Administration  
Interests: Mendeley

# Mendeley pour les utilisateurs

Avec ces personnes, vous pourrez partager des documents

The screenshot shows the Mendeley website interface. At the top, there is a navigation bar with the Mendeley logo, the name 'MENDELEY', and user information: 'Welcome back Marianne Oosterop', 'My Account', and an 'Upgrade' button. Below this is a secondary navigation bar with 'Dashboard', 'My Library', 'Papers', 'Groups', and 'People'. A search bar contains the text 'oosterop'. The main content area is titled 'Papers' and shows a search result for 'oosterop'. A red box highlights the search bar with the text: 'You can search papers by author, title, DOI, etc. You also get spelling suggestions'. Below the search bar, there is a suggestion: 'Did you mean: oosterom'. The search result shows a paper titled 'Body mass index is associated with altered renal hemodynamics in non-obese healthy subjects' by Renate J Bosma, Jaap J Homan Van Der Heide, Eric J Oosterop, Paul E De Jong, and Gerjan Navis, published in *Kidney International* (2004). A red box highlights the 'Save reference to library' button with the text: 'You can save references to your own library.' To the left of the screenshot, there is a vertical red bar with the text 'Feedback'. At the bottom of the page, there is a footer with several columns of links: 'What is Mendeley?', 'About Us', 'Support', 'Useful Links', and 'Download and Upgrade'. The 'Download and Upgrade' column includes a 'Download Mendeley Free' button, 'iPhone & iPad App', and 'Premium Packages'.

# Mendeley pour les utilisateurs

Avec ces documents, vous pourrez alimenter votre bibliothèque virtuelle...

The screenshot displays the Mendeley web interface. At the top, the Mendeley logo and name are visible, along with a user greeting: "Welcome back Marianne Oosterop". Navigation tabs include "Dashboard", "My Library", "Papers", "Groups", and "People". A search bar is present with the text "People Search...".

A red-bordered box highlights a set of management icons: "Add Document", "Delete Documents", "Remove from Folder", "Create Folder", "Create Group", "Remove Folder", "Web Importer", and "Account Usage". A red callout box on the left points to this area with the text: "Here you can manage and maintain your own library".

The "My Library" sidebar on the left contains a "feedback" button and a list of library categories: "All Documents", "Recently Added", "Favorites", "Needs Review", "My Publications", "Unsorted", and "Library Science". Below this are "Groups" (with "Sound and Music Computing") and "Trash" (with "All Deleted Documents"). A "Filter Selected Collection" dropdown is set to "by Publications", showing a list of journals.

The "All Documents" section on the right shows a list of documents with checkboxes, star icons, and document icons. The first document is "Body mass index is associated with altered renal hemodynamics in non-obese healthy subjects." by Renate J Bosma et al. (2004). Other documents include "Defrosting the Digital Library: Bibliographic Tools for the Next Generation Web" and "Getting Started with Mendeley".

# MENDELEY INSTITUTIONAL EDITION (MIE)

# La raison de notre partenariat avec Mendeley

---

## Qu'avons-nous appris de nos clients académiques?

La recherche se fait à plus de 50% dans les réseaux sociaux en dehors de la bibliothèque.\*

La contribution des bibliothécaires aux étudiants et chercheurs est remise en question.

Les bibliothécaires doivent prouver leur valeur vis-à-vis de la direction de l'université

Les bibliothécaires doivent prouver comment ils supportent et aident les chercheurs.

Certains bibliothécaires essayent de comprendre comment aider les chercheurs au mieux dans leur travail.

Les bibliothécaires recherchent les bons outils, sans sacrifier leurs autres responsabilités.

- Pour éviter: *What is happening in the world is bypassing university libraries*  
acc. to Peter Murray-Rust (Chemistry Professor at Cambridge)

# La raison de notre partenariat avec Mendeley

---

## Les avantages pour les bibliothécaires et les chercheurs

Facilite la recherche et la collaboration

- Propose + de 1500 styles de citations et permet d'avoir son propre style.
- Permet aux professeurs de diriger les étudiants vers le contenu
- Identifie des tendances de recherche et permet aux bibliothécaires d'adapter leurs collections en se basant sur des statistiques.
- Découvre des groupes et des contributions de qualité dans votre spécialité.

Montre la valeur de votre université

- Augmente la productivité des chercheurs en leur facilitant le partage des contenus.
- Permet de visualiser l'impact des publications de vos chercheurs.

Economise de l'argent

- Pas de nécessité de payer pour des "citation managers".
- Mettre l'accent sur les publications réellement lues et voir ce qui est lu, mais non trouvé dans les collections propres de votre bibliothèque.

En adhérant à Mendeley Institutional Edition powered by Swets, vous pouvez non seulement renforcer le rôle et l'utilité de votre bibliothèque dans l'environnement digital de vos chercheurs mais aussi renforcer votre présence institutionnelle au delà de vos frontières.

# La raison de notre partenariat avec Mendeley

- En 2012, Swets et Mendeley ont conclu un partenariat stratégique pour lancer MIE avec comme objectif principal de donner aux administrateurs de bibliothèques et centres de documentation une vision globale de l'utilisation de leurs ressources dans leur institution et d'avoir un rôle central dans le pilotage de la connaissance.

# Mendeley Institutional Edition

Lorsque vous démarrez MIE, comme administrateur (généralement le bibliothécaire), le plus intéressant se trouve au niveau des groupes.

**feedback**

**With MIE you can analyze, report and compare**

**Now let's enter the group**

# Mendeley Institutional Edition

Après avoir cliqué sur le nom du Groupe, vous arrivez sur une page et vous voyez les 'principaux membres' de votre institution. Cliquez sur 'Analytics' et vous trouverez la partie la plus intéressante du programme.

The screenshot displays the Mendeley Institutional Edition interface for the University of Cambridge group. The page features a navigation bar with options like 'Dashboard', 'My Library', 'Papers', 'Groups', and 'People'. The main content area shows the group name 'University of Cambridge' with 9 members. A list of members with their publication counts is displayed, including Erik Duval (371), Ivan Ricarte (100), Håkan Olin (93), Reinhold Kliegl (83), Paul Groth (70), Laurent Perrinet (69), and Wolfgang Reinhardt (49). A sidebar on the left contains 'Overview', 'Members', 'Settings', and 'Analytics' (highlighted with a red box). A vertical 'feedback' button is on the far left. A red callout box points to the 'Click here to see the group members' link. Another red callout box points to the 'Members with the most publications' list. A third red callout box points to the 'Analytics' menu item.

Member Name	Publications
Erik Duval	371
Ivan Ricarte	100
Håkan Olin	93
Reinhold Kliegl	83
Paul Groth	70
Laurent Perrinet	69
Wolfgang Reinhardt	49

# Mendeley Institutional Edition

L'onglet "Overview" montre tous les événements que vous pouvez analyser.

The screenshot shows the Mendeley Institutional Edition interface. The left sidebar contains navigation tabs: Members, Settings, and Analytics. The main content area has a top navigation bar with tabs: Overview, Reading, Publishing, Impact, and Social. The Overview tab is selected. The page is divided into three main sections: 'Which journals members are reading', 'Where members are publishing', and 'Active groups'. The 'Research Impact' section is also visible on the right. Red boxes and arrows highlight specific features and annotations.

**Annotations:**

- Clicking the Analytics tab takes you to the overview** (points to the Analytics tab in the sidebar)
- You're shown the Top 5 of all topics. You enter the topics by clicking the tab on top or in screen.** (points to the Overview tab in the top navigation bar)

**Overview Section:**

### Which journals members are reading

PLoS ONE	25 readers
Monthly Notices of the Royal Astronomical Society	19 readers
BMC Bioinformatics	13 readers
Nature	12 readers
Theoretical and Applied Genetics	11 readers

[view consumption report >](#)

# Mendeley Institutional Edition

Par exemple: combien d'articles de vos propres collections sont ajoutées aux bibliothèques virtuelles des membres de votre institution

# Mendeley Institutional Edition

Et quels sont les titres les plus lus au sein de ce groupe?

# Mendeley Institutional Edition

Parmi les titres de ma bibliothèque, quels sont les journaux les plus lus, et quels sont ceux qui ne sont pas utilisés du tout?

The screenshot displays the Mendeley Institutional Edition analytics interface. At the top, a line graph shows usage trends from Sep '10 to Nov '11. Below the graph, the 'Compare' section lists journals under the 'bio' category. A red box highlights the list with the text: "You can list your titles in order of readers, thus getting insight in actual usage." To the right, the 'Top journals' table lists journals with their respective reader counts. A red box highlights the table with the text: "Readers are people who have added an article of the journal to their library".

feedback

Readers are people who have added an article of the journal to their library

You can list your titles in order of readers, thus getting insight in actual usage.

# Mendeley Institutional Edition

Par ailleurs, vous pouvez voir dans quelles revues vos chercheurs et scientifiques ont publié leurs articles.

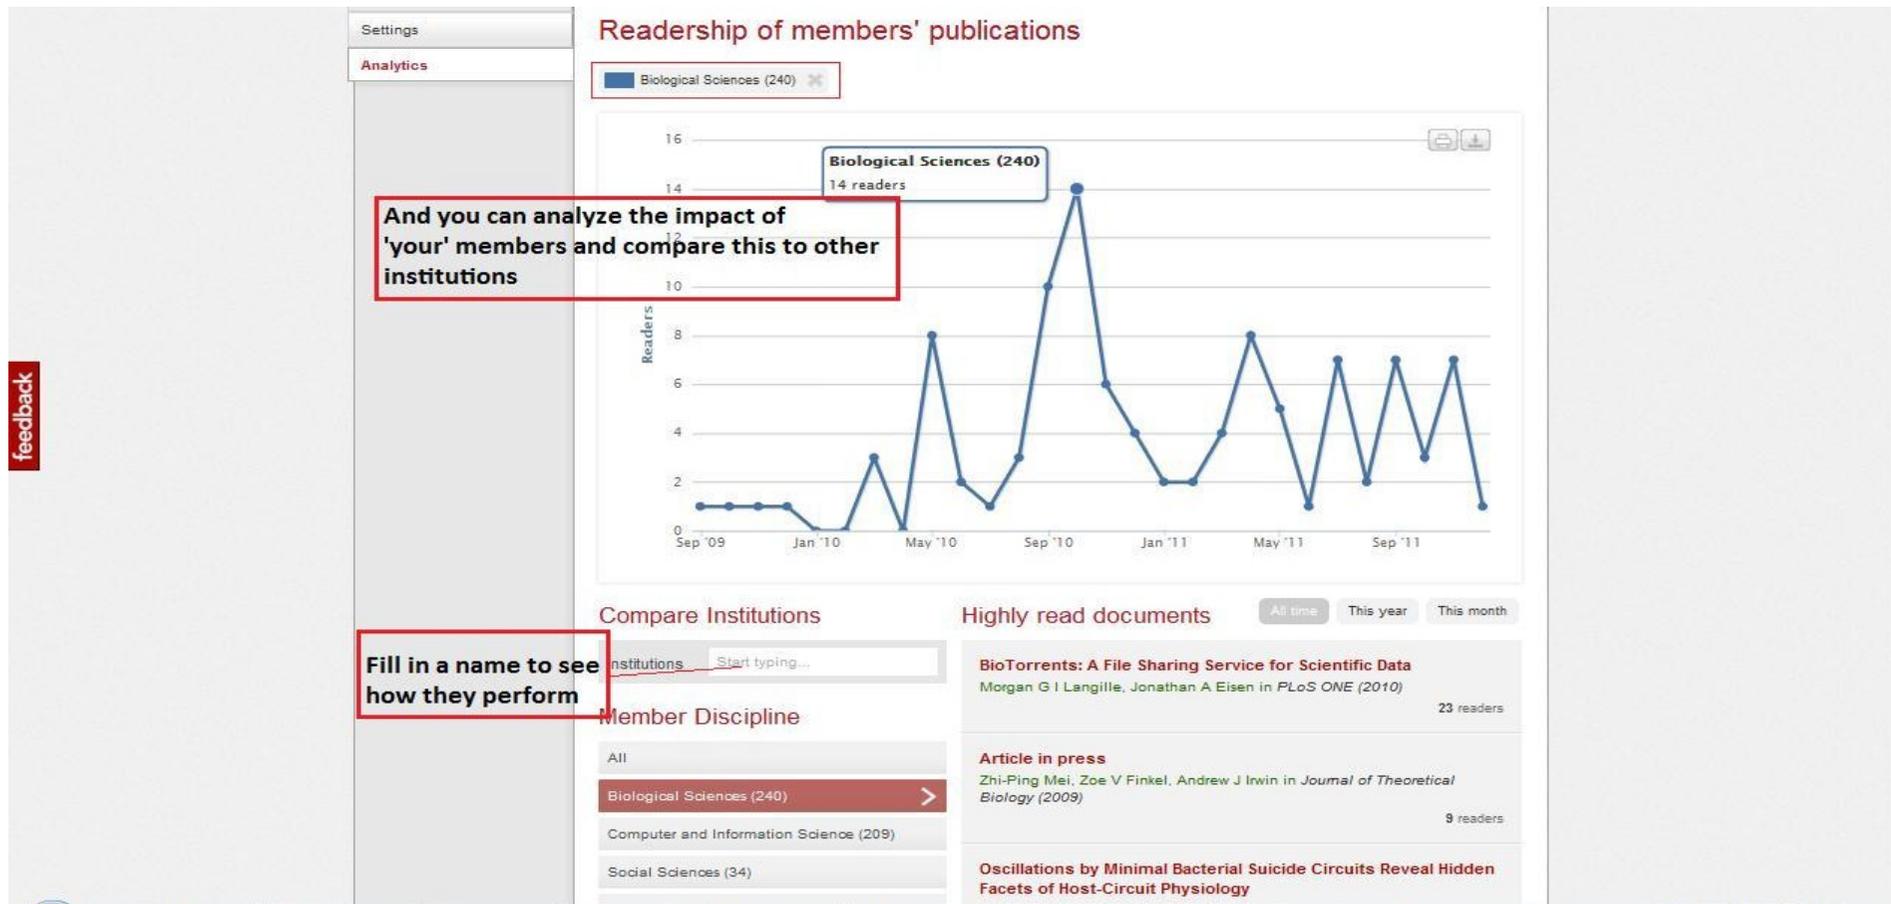

# Mendeley Institutional Edition

Bien sûr, vous pouvez aussi analyser à quel niveau ils ont publié.

# Mendeley Institutional Edition

Vous pouvez enfin analyser comment “vos chercheurs” performant en comparaison avec ceux des autres institutions.

# Mendeley Institutional Edition

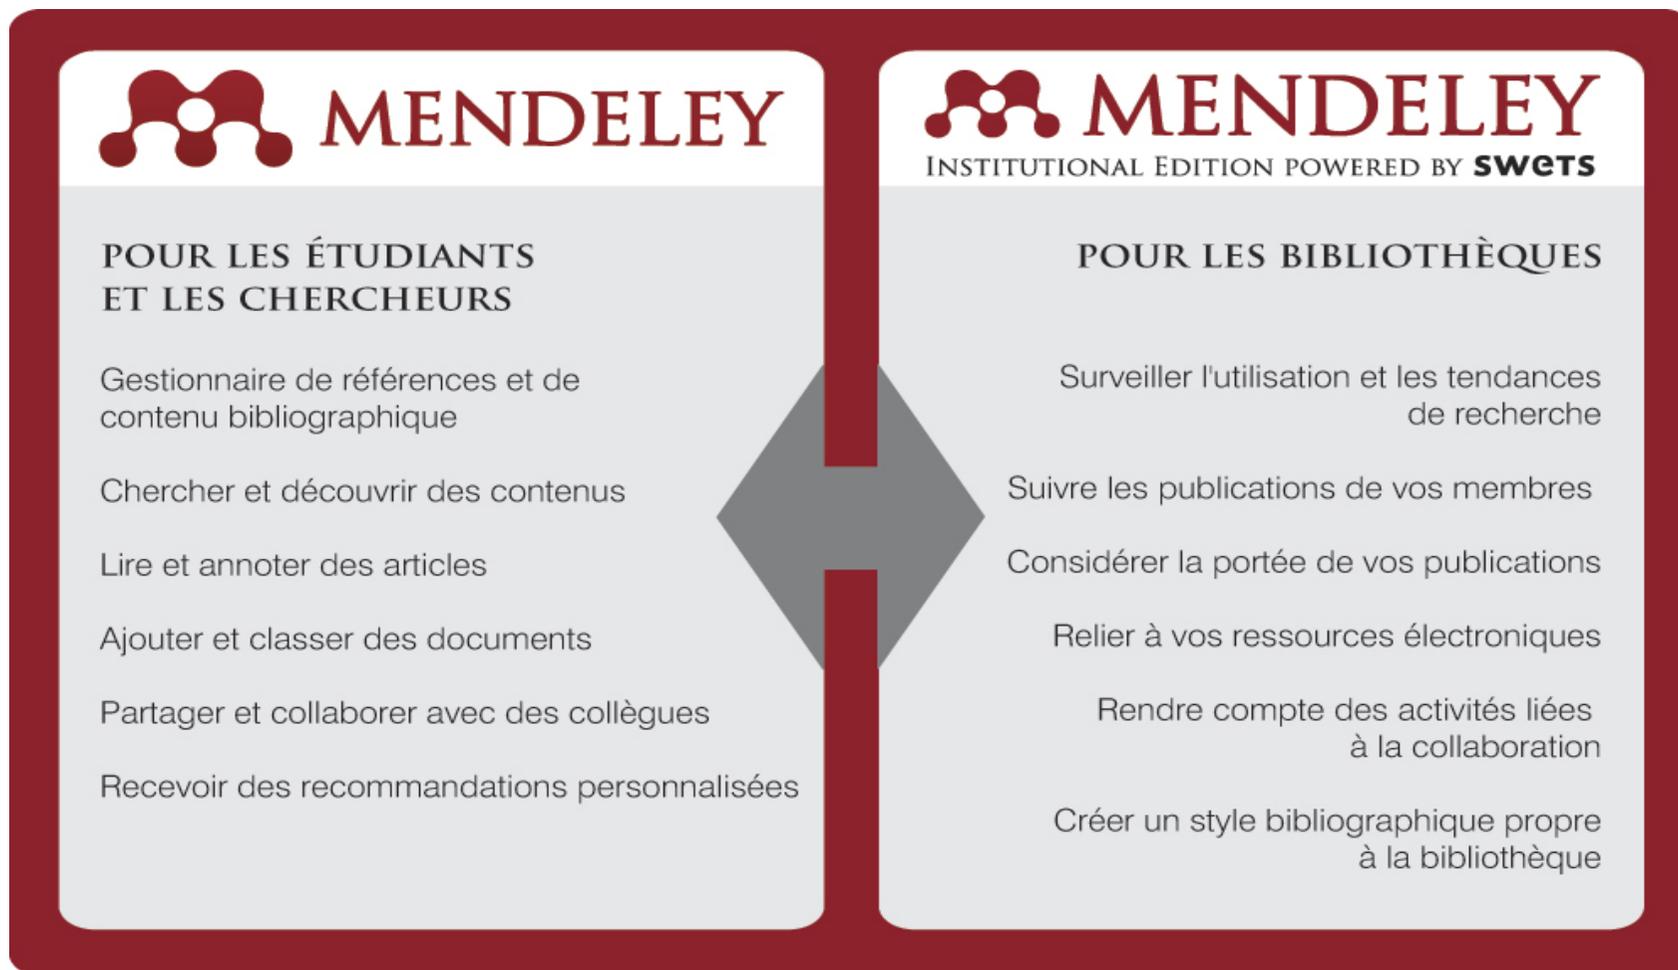

Tous les groupes de votre institution peuvent être trouvés facilement sous l'onglet "social".

The screenshot displays the Mendeley Institutional Edition interface. On the left, a vertical sidebar contains a 'feedback' button and navigation links for Overview, Members, Settings, and Analytics. The main content area is divided into two columns. The left column, under the 'Social' tab, shows a 'Groups' section with filters for 'Joined' (All time, This year, This month, This week) and 'Member Discipline' (All, Biological Sciences (240), Computer and Information Science (209), Social Sciences (34), Medicine (27), Psychology (20), Environmental Sciences (18), Business Administration (13), Earth Sciences (13), Education (12), Engineering (12), Physics (10), Astronomy / Astrophysics / Space Science (9)). A red box highlights the 'All' option in the Member Discipline list with the text: "When clicking it is divided per discipline". The right column shows a list of groups, each with a cover image, title, description, and member count. A red box at the top of this column contains the text: "And under the social tab you find the complete overview of groups in your institution".

Group Name	Description	Members
Future of Science	An open group to collect and discuss articles around the future of science, peer review, open access, and science 2.0 / 3.0 ideas.	577 members joined
Reinventing the Scientific Paper	A collection on Science 2.0 and new forms of academic publishing.	112 members joined
Biology Classics	All the texts that should be read by everyone in biological sciences at least once! For everyone adding papers to the collection, it would help a great deal if everyone wrote a short note on why you think this paper belongs in this group. But thanks for sharing regardless!	106 members joined
Data analysis	Some papers on data analysis methods, statistics.	84 members joined
Machine Learning Basics	Collection of papers describing basic algorithms and topics in machine learning, with applications in computer vision and natural language processing.	71 members joined
Writing	Articles on writing and career	61 members joined
